Skipper Linda Rahm, 30, is a physiotherapist.

Suzanne Nyberg, 25, is a medical student.

Anna Bjurström, 29, is an architect.

Victoria Engström, 27, is a purchaser.

Linda and her team have sailed together for the past five years. During this period they have established an international ranking position between 15 and 20. Sailing is a big passion of theirs, and their objective is always to have fun together, and to gain experience as sailors as well as people. They all have extensive sailing backgrounds, having sailed everything from dinghies to 65-footers, racing as well as cruising.

The team lives in Gothenburg on the beautiful west coast of Sweden. They are all members of the Royal Gothenburg Yacht Club, where they train in DS 37 Matchracers and J/80s, along with some of the best match racing sailors in the world.

Over the past several years they have built a great deal of team spirit, and feel that 2004 is the year to raise their position in the world rankings.
